Cottage Living	Spring	Summer	Autumn	Winter	Always in season
Blueberry					
Raspberry					
Chocoberry					
Verdant Mushroom					
Lovely Mushroom					
Spicy Mushroom					
Nightly Mushroom					
Mysterious Mushroom					
Aubergine (Oversized)					
Watermelon (Oversized)					
Pumpkin (Oversized)					
Mushroom (Oversized)					
Lettuce (Oversized)					

Oversized crops must be planted in one of the "Garden Patch" planting beds that came with Cottage Living, and they must be planted from seed. Oversized harvestables are perishable. They last 7 days in inventory, and about 17 days in the fridge. How much and what size you harvest (9 small, 4 medium, or one large) depends on how the plants are cared for as they grow.
